

DOGGER BANK D WIND FARM

ONSHORE CONSULTATION EVENTS

From **23 June to 3 August 2026**, Dogger Bank D is holding a non-statutory consultation on the proposed Onshore Converter Station (OCS). Take this opportunity to explore how the plans have evolved and have your say on our early design proposals for the OCS. Your feedback will help shape the project as it develops, ahead of our planned application to the Planning Inspectorate in June 2027.

From Tuesday 23 June 2026, visit www.doggerbankd.com/ocs-consultation to view the consultation materials, explore how the OCS could look, and tell us what you think.
